PROFESSIONAL SUMMARY

I am passionate about continuous learning and staying updated with the latest industry trends. Dedicated web developer with a strong foundation in both front-end and back-end technologies. Experienced in designing and developing websites and web applications, with a keen eye for detail and a commitment to delivering high-quality, user-friendly products.

EDUCATION

Some College (No Degree) : Webdevelopment
Gritacademy Yrkehögskola - Malmö

- Spearheaded the training of web developers for the e-commerce industry
- Completed courses in HTML/CSS, UX/UI, Frontend JavaScript1 and 2, Database management, PHP and MySQL, Agile project management, WordPress/woo-commerce, Entrepreneurship and the consulting role, Digital business and marketing, and final exam work
- Participated in a 2-year-long education program with a 20-week LIA internship program
- Developed and maintained multiple websites for personal projects and school assignments
- Collaborated with peers on group projects to design and implement web applications from concept to completion.
